## OUR COLLEGE

RVS Educational Trust, Jamshedpur has established an excellent infrastructure in Jamshedpur with the name of RVSCET. This was in order to provide world-class infrastructure to produce highly skilled Engineers who are versatile in culture, embedded with psychological values, and have the tenacity to work in any environment.

There are many industries, including Asia's largest ancillary hub, Electronic Cluster & STP (Govt. of Jharkhand initiative), and Auto Cluster in an around Jamshedpur. This enables ample opportunities for our students to interact and get trained during their study period. Environment Friendly campus is home to several architecturally striking buildings where every need of both students and faculty is met.
