Action Taken Report on Students Feedback

SINo	Area	Feedback / Suggestion	Action Taken
1	Academic	Update / Improve Lab Equipment	Lab Equipment are being updated in a phased manner and new equipment with latest technology will be added
2		Smart Class rooms with AC	10 Smart class rooms in B2 Building are being installed and refurbished More will be installed in second phase.
3		Teachers need to provide class notes.	Those teachers who are yet to provide class notes will be advised to provide.
4		Improve class room tidiness after the holiday breaks. Clean Benches and Class rooms	Housekeeping staff will be directed to clean the class rooms
5		Provide Game period for students to play outdoor games	For the holistic development of students, outdoor games and other activities are necessary as per NEP-2020. In view of this We will consider this suggestion. We will request JUT, Ranchi for extra activity classes and this will on credit system
6		Start M Tech in other Engineering branches	We will make an endeavour to get the approval from JUT, Ranchi and AICTE, New Delhi once the demand increases
7		Finance	Increase no. of counter and staff in account section.

			there is no need to visit Account Section to avoid rush in the queue.
8	Hostel Mess	Quality of Hostel foods should be improved. Canteen place need to be Hygienic	Chief Warden and Wardens are taking care of hostel foods and its hygiene A Hostel committee including students will be formed to examine and suggest improvement further.
9	Transport	Improve bus facilities and provide more buses	Three old buses have been replaced with new model of buses. During peak load period of examination there is a rush in one or two bus routes. Bus and students' bus points in common route have been optimized to allocated students in a particular bus. This has stopped standing of students during peak periods. Further, additional bus trips will be arranged on one or two routes during peak period only, if need arises.
