Our College

RVS Educational Trust, Jamshedpur, has established RVSCET with world-class infrastructure to provide quality education. It aims to produce highly skilled engineers who are culturally versatile, uphold strong ethical values, and can adapt to diverse work environments.

Jamshedpur is home to several industries, including Asia's largest Ancillary Hub, the Electronics Cluster, STP (a Government of Jharkhand initiative), and the Auto Cluster. This enables ample opportunities for our students to interact and get trained during their study period. Environment Friendly campus is home to several architecturally striking buildings where every need of both students and faculty is met.

The Master of Computer Applications (MCA) is a postgraduate program specializing in **software development, programming, networking, and IT management.** It equips students with practical skills through **projects and internships,** preparing them for careers as **software developers, data scientists, IT consultants, and more.**

MCA with Specializations

AI/ML	Cyber Security
Data Science	IoT

Eligibility

Passed BCA/Bachelor's degree in Computer Science, Engineering, or an equivalent field.

OR

Passed B.Sc., B.Com., or B.A. degree with Mathematics at the 10+2 level or during graduation (with additional bridge courses as per university norms).

A minimum of 50% marks in the qualifying examination (45% for candidates from reserved categories).

Vision-Mission : The MCA program is committed to providing quality education in computer applications through cutting-edge facilities and industry-driven research. By emphasizing practical learning, innovation, and skill development, the program prepares students to excel as IT professionals. Through a focus on teaching, research, and consultancy, the program nurtures problem-solving, teamwork, and leadership abilities while promoting impactful research for the betterment of society and the industry.

Mode of Payments

Fees can be paid via:
- **Demand Draft :** In favor of "RVS College of Engineering & Technology, Jamshedpur," payable at Jamshedpur.
- **Online Payment :** Available on the college website.
- **Cash Payment :** At the Accounts Office on campus.

THE ACADEMIC INSIGHTS

Awarded as "**The Best Private Engineering College of Jharkhand & Bihar**" for 2024-25 by The Academic Insights Magazine.

Achievement

Our **MCA student, Fahad Mahmood,** secured the **Second position** in the **Idea Pitching Competition 2024**, organized by Jharkhand University of Technology (JUT,Ranchi), for his innovative **e-commerce application, DigiMazdoor.**

Alumni Testimonials

Every line of code I wrote during the MCA journey was a step closer to success. The challenges weren't easy, but they made the achievements worthwhile.

Bittu Kumar Prasad
Senior Application Developer
Oracle India Pvt. Ltd.

ORACLE®

The MCA course at RVS College offers a balanced mix of theory and practical learning, covering key IT domains. With expert faculty and modern labs, it provides a solid foundation for an IT career.

Prashant Kumar
Technical Consultant

Microsoft

The MCA course at RVSCET combines theory and practice, developing strong IT skills. With expert faculty and modern facilities, it fosters creativity, problem-solving, and hands-on experience for successful careers.

Shahbaz Alam
Tech Lead
Tata Technologies Pvt. Ltd.

TATA TECHNOLOGIES

The MCA program not only taught me programming but also perseverance, problem-solving, and the courage to dream big.

Shailesh Kumar
Senior Software Engineer
Accenture

accenture

The well-structured curriculum, combined with hands-on projects, workshops, and industry interactions, has significantly enhanced my technical skills."

Rajesh Kumar Ravi
IT Analyst
TCS

tcs TATA CONSULTANCY SERVICES

The MCA course, along with its supportive faculty, provides valuable industry insights. The curriculum is updated each semester to align with current technology trends.

Shalini
Senior Product Manager
Bajaj Finance limited

BAJAJ FINSERV

The MCA course at RVSCET provides a well-structured curriculum that enhances both technical and analytical skills. The faculty members are highly knowledgeable and supportive

Bhanu Pratap
Web Developer
Cendyn India Pvt Ltd.

Cendyn

I pursued my MCA from RVSCET, a transformative journey guided by exceptional mentors. The course provided technical expertise, hands-on experience, and valuable insights that shaped my career, enhanced my skills, and prepared me for the professional world.

Jagmohan
Business Analyst, Duroflex

duroflex

The MCA program at RVSCET offers a strong foundation in computer science and programming with industry-relevant learning. Experienced faculty and hands-on training prepare students for successful careers.

Recent Conferences & Seminars

Springer 2nd International Conference on "Emerging Technologies in Artificial Intelligence, Iot and Blockchain" (ICAII-2024) was held on **25th-26th October, 2024** at RVSCET, Jamshedpur.

5th IEEE-International Conference on "Recent Trends in Computer Science and Technology" (ICRTCST-2024) held on **15th-16th April, 2024** at RVSCET, Jamshedpur.

Springer 1ˢᵗ International Conference on "Artificial Intelligence and Internet of Things" (ICAII-2022) was held on **4ᵗʰ-5ᵗʰ April, 2023** at RVSCET, Jamshedpur.

4ᵗʰ IEEE-International Conference on "Recent Trends in Computer Science and Technology" (ICRTCST-2021) held on **11ᵗʰ-12ᵗʰ February, 2022** at RVSCET, Jamshedpur.

Infrastructure And Facilities

Academic Blocks :
Lecture Theatres, Smart Classrooms, Labs, Seminar Halls, and a **Well-Equipped Auditorium.**

Hostels & Residential Facilities :
- **5 Secure Hostels** (2 for girls, 3 for boys) with **260+ capacity each.**
- **Faculty Quarters & Director's Bungalow** for academic staffs.

Library (25000+ Books and Journals) :
- **Digital Library** & **NAS Storage**
- **Latest Books, E-Journals,** & **Research Publications**

Key Features

Artificial Intelligence Lab (AI) | Digital Library Room | NPTEL Server | VLSI Lab | Group Discussion Room | Alumni Lounge | Open Gym | Training & Placement Room | Badminton Courts | Volleyball Courts | Cricket Grounds | Football Grounds | The Food Café - Hungout

Campus Pulse:
- **NSS Social Initiatives :** Blood donation drives & community service.
- **Cultural Club (Tarangini) :** Annual cultural events & talent showcases.
- **Media Club (Xpectra) :** Student-led journalism & photography.
- **Tech & AI Club (HELIX) :** Workshops, hackathons & innovation challenges.
- **IoT & Robotics Club (Circuition) :** Hands-on projects in IoT, drones & robotics.

Annual Events:

1. Fresher's Day (Prarambh)	4. Industry Conclave	6. Job Fair (BOPT)
2. Sports Meet (Frolic)	5. International Conference & Seminars	7. Coffee with Parents
3. Tech-Fest (Provenance)		8. Graduation & Farewell Ceremony

Why MCA @ RVS College, Jamshedpur?

✓ **Highly qualified faculty** with industry experience
✓ **Project-based learning :** using advanced tools & real-world applications
✓ **Excellent placement track record :** in top companies
✓ **Skill-oriented & interdisciplinary training :** for holistic growth
✓ **Industry tie-ups (MoUs) & internships :** for practical exposure
✓ **High-speed Wi-Fi :** across the campus
✓ **24x7 medical facility :** for students
✓ **Safe hostel accommodations** for boys & girls
✓ **Women's Safety Cell & Anti-Ragging Squad**
