Dated : December 10, 2025

**National Energy Conservation Day**

The Elite Electra Club (EEE) of R. V. S. College of Engineering & Technology, Jamshedpur, will organize a **one-day workshop (EnergiCon)** to commemorate National Energy Conservation Day on Monday, December 15, 2025, on its campus. The Inaugural Session will be held in the Mini-Auditorium, followed by a Workshop in the B-4 Building of the Institute.

The event structure includes two primary components:

- Keynote Address:** A session by an expert discussing sustainable energy practices and the national importance of conservation.
- Hands-on Workshop:** A session on **UPS Sizing and Load Estimation in UPS Systems**. The training will be delivered by technical experts from **Switching AVO Electro Power Ltd.**, ensuring industry-standard knowledge transfer.

The Students of B.Tech( 3<sup>rd</sup> semester & 5<sup>th</sup> semester) and diploma(3<sup>rd</sup> semester & 5<sup>th</sup> semester) are directed to participate actively in this one day workshop (EnergiCon) organised by Elite Electra Club (EEE), RVSCET.

A Participation Certificate will be provided to students who attend the workshop.

This initiative aligns perfectly with the institutional goal of fostering practical, environmentally conscious engineering students.
