NOTICE

All members of the Departmental Research Committee and students are hereby informed that, under the aegis of the Institution's Innovation Council (IIC), the Department of BBA is organizing a Two-Day Business Plan Pitch & Demo / Exhibition Event on 14th & 15th May 2026.

As part of this initiative, all concerned DRC members and their teams are required to prepare and submit three (03) distinct business plans to the Department of BBA on or before 08/05/2026.

The objective of this event is to provide a platform for students to present their business ideas, demonstrate innovative concepts, and receive guidance from internal and external mentors. Selected teams will also get opportunities for further mentorship, business model refinement, and potential incubation support.

All participants are expected to actively engage in presentations, exhibitions, and evaluation sessions as per the guidelines of the Institution's Innovation Council.
